Hi Brittany, good to hear from you! I hope all is well with you too. I appreciate you reaching out. Until we know more about the outcome of the inspection, I won't assign a staff attorney, so I am your best contact for now. Please let me know if any questions come up!

Thanks,
Erin

Erin,

I hope all is well. As you may know, Stinson represents BCP Ingredients. I understand from the site team that EPA is on-site conducting an RMP inspection. Dave Hensley told them you are assigned to the case so I wanted to open the lines of communication, as well. We don't need anything and my understanding is that the technical teams have things under control. However, if you need anything, please feel free to reach out. Thank you!
